NOTICE OF MEETING

Brothers and Sisters:

On August 30th at 5:00 p.m., we will conduct a union meeting to discuss and then vote on two matters: (1) merging Laborers Local 678 into Laborers Local 630; and (2) amending the bargaining unit's certification with the Public Employees Relations Commission to show that Laborers 630 is now the certified bargaining agent for the bargaining unit members. This meeting is open to all members of the bargaining unit – both union members and non-union members. The meeting will be held at 3203 Lawton Rd. #151 Orlando, FL 32803.

At the meeting, a representative of Laborers Local 630 will explain the reasons for merger and how the merger will affect the servicing of the membership, the governance of the local, the representation of bargaining unit members on the Laborers Local 630 executive board, the rights and responsibilities of bargaining unit members as members of Laborers Local 630, including the right to run for union office, the payment of dues, and all other related questions. After the discussion, we will conduct a vote on (1) whether the bargaining unit members want to merge with Laborers Local 630 and (2) whether the bargaining unit members agree to amend the PERC certification to show that Laborers Local 630 will now be the bargaining agent. The vote will be by secret ballot of all bargaining unit members in attendance, both union members and non-union members. We will count the votes and announce the results of the vote at the conclusion of the meeting.
